## Support Local Gymnasts — Become a 2025 Mendocino Starz Sponsor!

Mendocino Starz Gymnastics has been promoting healthy, active lifestyles for children and youth in Ukiah and the greater Mendocino County area since 2006. With programs for children ages 6 months to 18 years, Starz has become a trusted part of the community, helping kids build not only physical strength but also confidence, discipline, and lifelong friendships.

Our classes support the development of key physical, mental, and emotional skills, including:

- Improved coordination, athleticism, and performance in other sports
- Critical thinking and problem-solving
- Courage and resilience in overcoming fears
- Positive social skills through teamwork and encouragement
- Stronger bones and overall physical fitness
- Healthy weight management and heart health
- Body awareness and movement control
- Discipline and self-confidence

# OUR TEAM

## MENDOCINO STARZ COMPETITIVE TEAM LEVEL GIRLS

### Exciting News for 2025: A Big Year of Growth and Momentum

We just wrapped up our second full season of competition, and we're proud to share that six of our Starz gymnasts qualified for Nationals—an incredible milestone for our small-town team. While we're not able to attend Nationals this year due to the high costs of travel, staffing, and logistics, this achievement has only strengthened our resolve.

Our goal is to build the resources and support we need to attend Nationals next year, and we're reaching out to our community to help make that possible.

We're also excited to be entering our third year competing in NGA (National Gymnastics Association) levels. Our athletes train year-round to compete across California, and this season, they've truly made their mark.

To showcase the support of our community and celebrate our team's progress, we're introducing custom team letterman jackets featuring sponsor logos—something the girls will proudly wear throughout the season out and about as everyday wear.

# WILL YOU CONSIDER BECOMING A SPONSOR?

## Why We Need You

To help our team grow, travel, and compete on a larger stage — and to keep this program strong for future athletes — we're seeking sponsorships from local businesses and individuals. Sponsorships help offset the high costs of:

- Travel and competition fees
- Uniforms and gear
- Training equipment
- Facility upgrades

In addition to supporting these hardworking athletes, your sponsorship ensures we can continue offering affordable classes to local families.

## What You Get

We want to proudly recognize your support! All sponsors will be featured on:

- A banner displayed in our gym
- Our team sweatshirts (logo placement based on sponsor level)
- Event programs and promotional materials
- Social media shoutouts

For businesses and self-employed individuals, sponsorships may qualify as tax-deductible advertising.

Please see the next page for sponsorship levels and the many ways we say THANK YOU to our generous sponsors.

Let's invest in these incredible athletes and help make Nationals a reality in 2026—with your support, they can go even farther!

# THANK YOU

YOUR SUPPORT MAKES A HUGE IMPACT  
ON THESE GYMNASTS
